

Technology Consultant

Due to growth and expansion, we have immediate openings for a cross-functional technical consultant based out of our Alpharetta area location. We are looking for candidates with a strong work ethic and a commitment to excellence.

As a Technical Consultant your primary responsibilities will entail working as part of a team of consultants, developing solutions for Cloud-Based Applications, assisting in the design and development of custom integrations between products, and interfacing with customers on-site or via teleconference. Although solution architecture & design is the primary focus, programming experience is also necessary in this role.

Required Skills:

- 4 year degree in Computer Science, MIS, or similar focus
- Exceptional Technical Skills
- Strong communication skills is a must.
- Ability to work to interact directly with our clients
- Strong knowledge of Cloud Application Architecture / Hosted Web Based Application Architecture
- Strong Solution Architecture and design specifications experience
- 2+ years of programming experience using PHP, JavaScript, XML, and/ or C# as a business data communication language.
- 2+ years' experience working with web services
- Integration experience with Cloud Applications is a plus (Salesforce.com, NetSuite, Intacct, etc.)

Recommended:

- Agile SCRUM experience
- Some financial accounting proficiency
- Enterprise business application development experience
- This is a chance to join a growing, dynamic, and exciting development team. You must be a hard worker and enthusiastic about your work.

About InnoVergent:

InnoVergent is a cloud-based accounting and financial management software consulting firm specializing in helping clients assess, implement and integrate business systems. Founded in 2006, we are a longstanding partner of NetSuite, Intacct and Adaptive Insights. This highly

InnoVergent

2500 NORTHWINDS PKWY, SUITE 280, ALPHARETTA, GA 30009
866.287.8643 INNOVERGENT.COM

unique portfolio of best in class software and services is backed by years of experience and successful implementations. InnoVergent is headquartered in Alpharetta, GA. Our clients are located throughout North America with operations around the globe.

At InnoVergent, we know that our company is only as good as our employees. You will get a chance to work closely with an incredibly dedicated group of people who are serious about putting great products and services into the marketplace. We continually search for candidates who share our beliefs and values.

We look for candidates who:

- Enjoy the start-up atmosphere and flexible shifting priorities
- Think big and bring new ideas to the table, regardless of their rank or title
- Have an overriding ambition and proactive nature, combined with the ability to inspire others.
- Are always results-driven. Must be willing to do what it takes to make each project a success
- Are quick learners - They must know when to listen and when to take charge.
- Are obsessive about quality and customer satisfaction.

InnoVergent Perks:

At InnoVergent we're a tight-knit team. Cultural fit is just as important as your qualifications on paper. We want to make sure you consider the following to be perks just like we do.

- Laid back culture
- We wear jeans and flip-flops most of the time and have an Xbox in our huddle space.
- Modern office layout
- Our office is far from a stuffy cube land. In a nutshell: Lots of natural light, Herman Miller workspaces with music always playing and all the Redbull you can drink.
- Community outreach programs
- We take corporate responsibility seriously. We want to work with folks who are excited to give back to the community through quarterly team-building service activities.
- Full benefits for health, dental and vision.

If you meet the requirements above, then we want to meet you! Interested applicants should send resume to careers@innovergent.com.

Innovative Thinking.
